

# MOBILE FLEET MANAGEMENT AND OPERATOR EFFICIENCY

**TRACKER**

The Hyster Tracker™ mobile app brings data-driven productivity right to your fingertips. This site-specific tool provides instant insights into your truck fleet, including impact alerts, checklist notifications, and more. Eliminate guesswork with a mobile solution that transforms data and information into actionable insights.

## Instant Insight

Information at your fingertips. No need to get to a computer for simpler, faster site analysis.

## Smart Dashboard

Easy to use dashboard tracks your most important events, equipment in use and utilization information.

## Fleet Management

Equipment lists can monitor your entire fleet or individual trucks. Take pictures of damages, add notes and view service details.

## Event Notifications

Turn on notifications in the app pertaining to critical events like impacts and checklists.
